### Devil's Paw (Imp Series Book 4) By Debra Dunbar

For once no one wants to kill Samantha Martin. She's free to do all the things a mischievous imp loves to do- like remove all the county speed limit signs, and wrap City Hall in crime scene tape. Her only worry beyond organizing the delivery of her boyfriend's birthday present, is writing those pesky four nine five reports for the Ruling Council of Angels. But imps can never stay out of trouble for long.

Demon corpses have been found drained of all energy, their spirit selves ripped clean from their bodies. Sam's angel, Gregory, considers her a prime suspect, so when an angel is discovered dead in the same manner, he drags her to Seattle and Juneau to try to clear her name. The race is on to find the murderer before Sam's secret is exposed and she's blamed for the deaths. But is a devouring spirit really the killer, or is there more to the deaths than either Sam or Gregory suspect?

### Editorial Review

#### About the Author

Debra Dunbar primarily writes urban fantasy, but has been known to put her pen to paranormal romance, young adult fiction, and dark fantasy on occasion. She lives on a farm in the northeast section of the United States with her husband, three boys, and a Noah's ark of four legged family members. When she can sneak out, she likes to jog and ride her horse, Treasure. Treasure, on the other hand, would prefer Debra stay on the ground and feed him apples.
