### Editorial Review

From Publishers Weekly

Despite a few glitches, there is much to like about this coauthored novel from Tenney, best known for his nonfiction book *The God Chasers*, and Olsen, a writer whose work includes screenplays. Esther, queen of Persia, who inspired the eponymous book of the Bible, is a fascinating character whose story lends itself well to a fictional retelling. The novel opens as a contemporary woman named Hadassah receives a letter penned by Esther (also called "Hadassah" and "Star" in the novel) and passed down through her family for generations. The reading of the letter transports the reader back to the Persian Empire (a similar device is used in Bodie and Brock Thoene's *Zion Legacy* series). Several time periods and points of view make for a slow start, but the pacing picks up when Esther becomes the focus. The dialogue is stiff in places, and some readers will find the use of "G-d" rather than "God" out of reverence rather tiresome. However, from their imaginative fleshing out of Esther's unusual girlhood and preparation for her tryst with the king to the uttering of her famous words, "If I perish, I perish," the authors reinvigorate an age-old story. The sexual tension and violence necessary to the tale are rendered inoffensive for the evangelical Christian market, and a few surprise twists will catch readers familiar with the story off-balance. CBA readers should enjoy this account of one of the Bible's most courageous heroines.

Review

"Tommy Tenney, ...displays imagination and insight"

From the Back Cover

**POWERFUL FICTION FEATURING ONE OF THE BIBLE'S MOST BELOVED CHARACTERS!**

Against a vividly painted historical backdrop, bestselling author Tommy Tenney breathes new life into the age-old story of Hadassah, the simple peasant girl who must vie with more than a hundred other young women to become the next queen of Persia. Will her beauty alone be enough? And if she succeeds, will she have the courage to stand up to the cunning enemy of her people?

### Users Review

From reader reviews:

**James Sanford:**

Book is usually written, printed, or created for everything. You can realize everything you want by a e-book. Book has a different type. As you may know that book is important factor to bring us around the world. Adjacent to that you can your reading talent was fluently. A publication *Hadassah: One Night With the King* will make you to end up being smarter. You can feel a lot more confidence if you can know about everything. But some of you think this open or reading any book make you bored. It is not make you fun. Why they might be thought like that? Have you searching for best book or appropriate book with you?

### **Darla Kemp:**

The event that you get from Hadassah: One Night With the King is a more deep you digging the information that hide into the words the more you get serious about reading it. It doesn't mean that this book is hard to be aware of but Hadassah: One Night With the King giving you excitement feeling of reading. The author conveys their point in selected way that can be understood by anyone who read the item because the author of this reserve is well-known enough. That book also makes your vocabulary increase well. So it is easy to understand then can go together with you, both in printed or e-book style are available.
