Editorial Review

About the Author

Tony Koester has written eight books focusing on his lifelong hobby of model railroading. He is currently working on a multi-deck HO layout that depicts the Nickel Plate Road's St. Louis Division in 1954. Tony is a contributing editor to Model Railroader magazine, writing feature articles and the popular Trains of Thought column. He also edits Model Railroad Planning, a special annual issue of Model Railroader.

Users Review

From reader reviews:

Mike Munguia:

Here thing why this particular How to Kitbash Structures (Modeling & Painting) are different and reliable to be yours. First of all reading a book is good however it depends in the content from it which is the content is as tasty as food or not. How to Kitbash Structures (Modeling & Painting) giving you information deeper and different ways, you can find any book out there but there is no e-book that similar with How to Kitbash Structures (Modeling & Painting). It gives you thrill reading journey, its open up your current eyes about the thing which happened in the world which is perhaps can be happened around you.
