Editorial Review

Amazon.com Review

We all owe a debt to Akar Kessel, that treacherous chump of a wizard's apprentice, briefly known as the (short-lived) Tyrant of Icewind Dale. Akar started it all when he stumbled across the ancient and malevolent Crenshinibon, the Crystal Shard, thereby kicking off one of fantasy's best and best-loved series--and at its heart, one of the genre's most beloved heroes, the noble dark-elf ranger Drizzt Do'Urden.

While surely no Tolkien (who is, really?), Bob Salvatore can take pride in the fact that he's brought legions of enthusiastic fans to the genre--and for anyone who's caught themselves in an embarrassed yawn on page 412 of *The Silmarillion*, that's not a distinction to be taken lightly. You'd have to be a pretty cold fish for your pulse not to quicken a bit as Drizzt and company lay into yet another ravenous horde of trolls (or giants, or wererats). As an affectionate Terry Brooks says in his introduction to this collector's edition, you could do worse than to have your tombstone say you were a solid, workmanlike writer. And Salvatore, through his superior characterizations and knack for just telling a believable, engaging, and lovable story, transcends even that worthy praise.

For fans, this collection unfolds like a treasured scrapbook: *The Crystal Shard*, where we first meet the band and explore the Dale (with so many unforgettable scenes: Drizzt taking down Errtu, Wulfgar crushing King Heafstaag's head with his bare hands, Bruenor tearing up as he gives Wulfgar the freshly forged Aegis-fang); *Streams of Silver*, with the heroes fighting their way to Mithril Hall and facing Artemis Entreri for the first time; and *The Halfling's Gem*, in which old Rumblebelly has been carted back to Calimport (who can forget the flying-chariot pirate fight, or when Drizzt--finally!--sneaks a quick smooch from Catti-brie?). A must-have on the shelf of any Drizzt true believer, or the perfect gift for some young, would-be fantasy fan. --Paul Hughes

Users Review

From reader reviews:

Karen Plum:

Have you spare time to get a day? What do you do when you have a lot more or little spare time? Yeah, you can choose the suitable activity intended for spend your time. Any person spent their very own spare time to take a wander, shopping, or went to often the Mall. How about open or read a book eligible Icewind Dale Trilogy: Collector's Edition (Forgotten Realms: the Icewind Dale Trilogy)? Maybe it is to be best activity for you. You understand beside you can spend your time along with your favorite's book, you can cleverer than before. Do you agree with it has the opinion or you have other opinion?

Jeffery Fulmer:

In this 21st century, people become competitive in each and every way. By being competitive today, people have do something to make these people survives, being in the middle of often the crowded place and notice through surrounding.
