Walker is a formerly successful CEO who left the world of business for the freedom of being a skydiving instructor. But he's also hiding a dark desire deep within, and once he meets Tiffany he knows he wants to introduce her to more than just the thrills of skydiving. But Walker also has a history, and one that he is having trouble keeping in the past. Will Tiffany allow herself to be seduced by Walker's commanding sexuality? Or will she flee before he even has the chance?

Indecent:

Audrey Grant is a busy, successful doctor, but she's missing something vital in her private life. She dates and attempts to have an adventurous romantic life, but continually finds herself bored to tears and 'faking it'. Taking the advice of her friends, she makes an appointment with a psychiatrist—dangerously enticing Dr. Evans. From the first instant, she has a connection with him unlike any she's ever experienced before. Will she be just a patient or discover the secrets of the good doctor's special brand of 'therapy'.

Bliss:

When Keira Delane rented the guest house on art collector Matthew Hunter's

estate, she never imagined she would become involved with her handsome, wealthy and mysterious landlord. Yet over time she has become a voyeur of Matthew's private life and developed a powerful desire for him that nothing can satisfy. When an unexpected blizzard descends and cuts power to the guesthouse, Matthew takes Keira to the mansion to ride out the storm with him. Keira quickly discovers that Matthew feels the same attraction. Now alone with Keira, he can test the depth of her attraction, but can she submit to his needs, and to all the wild fantasies in his heart?
