Shadowstorm (The Shadow World) (Volume 6) By Dianne Sylvan

In the sixth novel of Dianne Sylvan's Shadow World series, vampire Queen Miranda Grey's immortal family is on the verge of breaking. She and her husband David now rule most of the United States since their mysterious new enemy, the Order of the Morningstar, began assassinating the leaders of the vampire world. Her best friend Deven is a broken ghost of who he once was after a loss that should have taken his life. And Nico, the creature who left his entire world behind to help them, is losing his immense arsenal of magical power – and his will to live - inch by inch. But now, in the midst of a national tour to support her recent album, the situation goes from bad to worse: Miranda's darkest secret is about to cause her two worlds to collide. When Morningstar moves more of its pieces into place and nearly destroys one of her own, the only choice Miranda and her family have is a gambit so audacious it could change the entire game...but will the fallout be a blessing, a curse, or something made of both?
