A Bard's Book of Pagan Songs: Stories and Music from the Celtic World - CD included By Hugin the Bard

*Lady of the Moon,
Maiden, Mother, Crone,
Granter of the Boon,
With you we're not alone.
We honor you tonight,
As we read the rune.
Love within your light,
Lady of the Moon.*

These are the lyrics to just one of the more than fifty songs, chants, and invocations you'll find in *A Bard's Book of Pagan Songs* by Hugin the Bard.

The book begins by explaining the nature of a bard's life. It is more than just singing songs. It is sharing the ancient stories and helping to build the community. It is functioning, when need be, as a spiritual guide. And it is being able to entertain with song.

There are two types of songs in this book. First, there are more than a dozen songs based on stories from the ancient Welsh book, the *Mabinogion*. Songs include "Rhiannon of the Birds," "Caswallon's Quarry," and "The Dreams of Arianhrod." The second part of the book has over forty songs, chants, and invocations, beginning with one for each of the major festivals such as "The King Shall Return" for Imbolc and "Dark Night" for Samhain. Then there are a wide variety of tunes that share Hugin the Bard's thoughts, experiences, and ideas, such as "Knights of the Moon," "They Call Us Witches," and "Goddess Delight."

For each piece of music you will find the story or explanation for it along with the lead sheet, lyric sheet, and chord chart. In order to really experience this music, every copy of this book now includes, ***absolutely free, a CD featuring sixteen of the songs from this book!***

Editorial Review

Amazon.com Review

A book that contains as much learning as fun is a rare gem, and Hugin's book is a treasure you will certainly want to add to your collection. Part storybook and part songbook, *A Bard's Book of Pagan Songs* takes you on an adventure through the Mabinogion (a collection of Welsh tales of heroism and romance), celebrates the wheel of the year, and affirms the significance of the pagan heritage. These songs make an excellent accompaniment to festival celebrations, and they are a fun way to learn some of the important aspects of paganism. Hugin tells the story behind each song, followed by words and music so that playing them is as easy as picking up your guitar. The included CD gives a feel for how some of the songs could be played and showcases Hugin's considerable talent, which has earned him the title of bard. Be careful when you listen: Hugin's exuberance is contagious, and you may find yourself singing along or even dancing a jig. --*Brian Patterson*

About the Author

Hugin the Bard is a Musician who has performed with Pete Seeger and Country Joe McDonald. He is also a Wiccan Elder who belongs to the Morning Star Society of Native American Ceremonial Arts.
