Baby By Accident: International Billionaires III: The Italians By Caro LaFever

A bad boy. An ice princess. And a secret she won't reveal.

When a pirate playboy takes over her family's financial company, Lise Helton can find nothing to like about the man. Except for the inconvenient lust she feels every time she's in a room with him. Too bad she's doomed to be in rooms with him all the time as she's still the CFO of the company and won't give him the satisfaction of walking away.

Much to Lise's dismay, *too bad* becomes really bad when she finds herself in bed with the man experiencing the best sex ever. Now, worse is about to happen in nine short months and she's confronted with a determined Italian ready to be a father. And a husband.

Vico Mattare knows he's wicked and has no problem using the skill to his advantage. But he's run into a woman who looks down her patrician nose at him even when he presents her with a four-carat diamond. He might not be worthy, but he's damned if he's going to lose her and his baby.

***Baby By Accident* is a standalone story with a happily-ever-after ending. It's part of the dramatic International Billionaires series—books that take well-loved stories and place them in exotic locales. If you've ever read about a Snow Queen and wondered who could possibly melt her, have no fear. Only a true bad boy can...and will. Come with our hero and heroine as they fly from London to Paris to Lake Como in Italy. And follow Golden Heart winner, Caro LaFever, for the other modern fairy tales in the series listed below.**
