Falling Into Bed with a Duke (Hellions of Havisham) By Lorraine Heath

In the first in a dazzling new series, *New York Times* bestselling author Lorraine Heath introduces the Hellions of Havisham—three charismatic rogues destined to lose their hearts . . .

After six unsuccessful Seasons, Miss Minerva Dodger chooses spinsterhood over fortune-hungry suitors. But thanks to the Nightingale Club, she can at least enjoy one night of pleasure. At that notorious establishment, ladies don masks before choosing a lover. The sinfully handsome Duke of Ashebury is more than willing to satisfy the secretive lady's desires—and draws Minerva into an exquisite, increasingly intimate affair.

A man of remarkable talents, Ashe soon deduces that his bedmate is the unconventional Miss Dodger. Intrigued by her wit and daring, he sets out to woo her in earnest. Yet Minerva refuses to trust him. How to court a woman he has already thoroughly seduced? And how to prove that the passion unleashed in darkness is only the beginning of a lifetime's pleasure . . . ?

LORRAINE HEATH always dreamed of being a writer. After graduating from the University of Texas, she wrote training manuals, press releases, articles, and computer code, but something was always missing. When she read a romance novel, she not only became hooked on the genre, but quickly realized what her writing lacked: rebels, scoundrels, and rogues. She's been writing about them ever since. Her work has been recognized with numerous industry awards, including RWA's prestigious RITA®. Her novels have appeared on the USA Today and New York Times bestseller lists.

About the Author

Lorraine Heath wrote her first story at seven, and it involved a fisherman who fell in love with a mermaid. She has since moved on to writing about sexy cowboys and dashing English lords -- sometimes, cleverly, within the same book. *Publishers Weekly* says she is a "master of her craft." She is, indeed, and along with being a *New York Times* and *USA Today* bestseller, she has won the RITA Award and three RT Reviewers' Choice Awards, as well as the RT Career Achievement Award.
