Editorial Review

Review

"The material is presented at a level of communication...required of a Pharmacy Technician. The author did a very good job breaking down topics and presenting the important features of the medication. It was focused writing at its best."Diana Rangaves, PharmD, Director of Pharmacy Technician Program and faculty member, Santa Rosa Junior College, Santa Rosa, California

" It provides a great synopsis and review for pharmacy technicians...the author did an excellent job on presenting all aspects of pharmacy technician training."Karen Snipe, CPhT, MEd, Department Head of Trident Technical College, Charleston, South Carolina
