Stone Embrace: A Stone Guardian After-Scene (Entwined Realms Book 2)
By Danielle Monsch

In the New Realms, love can be the most dangerous battle of all...

Terak has fought all enemies to claim Larissa. It doesn't matter his own Clan looks upon the union with misgivings. It doesn't matter her family see a monster when they see him.

It doesn't matter, because Larissa is *his*.

And any who would try to take her away? They'll see what a Gargoyle will do to protect his mate

STONE EMBRACE is best described as an extended epilogue to **STONE GUARDIAN**. It was written as an extra to thank fans of the *Entwined Realms* series who loved the story of a Gargoyle and a Human so much, they asked (and kept asking) for more ;)
