The Marshal's Little Girl (Little History Series Book 1) By Ava Sinclair

When a young woman calling herself Wilhelmina James shows up at his town's horse auction unescorted with a lot of sass and a lot of cash, Gage Chandler instantly gets a bad feeling about her. He's about to blow the small town of Red Horse Gulch to join the US Marshal's office, and this mysterious visitor is a headache he doesn't need. After he agrees to check out the pretty blonde stranger to appease a local rancher left angry at being outbid, what Gage finds out about Wilhelmina quickly confirms that she is up to no good. But when she gives him the slip and goes on the run it changes both of their lives forever.

Once he catches up with the little firebrand, it isn't long before she is over his knee for a hard spanking. As the sexual tension between marshal and outlaw reaches a fever pitch, Gage finds that Wilhelmina's deep need for submission meshes with his own buried desire to completely dominate a woman, and soon enough he has taken her as much more than just his prisoner.

But Gage soon learns that his captive has a secret. Wilhelmina doesn't just want to be his woman, she wants to be his little girl. She needs his love, his care, and his firm hand applied to her bare bottom when she is naughty. Though Gage is ready to oblige, the west is a harsh and dangerous place for a woman, even with a hardened lawman like him by her side. Can he keep Wilhelmina safe, or will the shadow of her past prove impossible to escape?

Publisher's Note: The Marshal's Little Girl is an erotic romance novel that includes spankings, sexual scenes, age play, medical play, anal play, and more. If such material offends you, please don't buy this book.
