The Prince's Little Mate By Meredith O'Reilly

When twenty-four-year-old Allison Black is chosen to be the mate of the prince of Aureus—an alien planet which recently signed an agreement with Earth—she is quite a bit less than enthusiastic. She makes her frustration perfectly clear to the handsome prince, telling him in no uncertain terms that she has no intention of submitting to his plans for her.

Prince Eric is determined to show his feisty, stubborn mate all the pleasures that surrendering to his dominance can bring. When he learns of her hidden yearning for a firm but loving daddy, he doesn't hesitate to make her his little girl. He will cherish her, provide for her, and keep her safe, and when she misbehaves or puts herself in danger, he will spank her naughty bare bottom.

But even as Allison is beginning to discover the peace that comes from being held in her daddy's strong arms, the future of Eric's world is threatened by an old enemy bent on chaos and destruction. When the choice is put before her will Allison abandon Eric in his time of greatest need, or will she stay by his side as he strives to protect both his people and his little girl?

Publisher's Note: The Prince's Little Mate contains spankings, sexual scenes, age play, anal play, elements of medical play, elements of BDSM, and more. If such material offends you, please don't buy this book.

Editorial Review

Users Review

From reader reviews:

Beverly McKeever:

Reading a publication can be one of a lot of action that everyone in the world loves. Do you like reading book thus. There are a lot of reasons why people love it. First reading a book will give you a lot of new facts. When you read a e-book you will get new information mainly because book is one of several ways to share the information or perhaps their idea. Second, examining a book will make anyone more imaginative. When you looking at a book especially hype book the author will bring you to definitely imagine the story how the characters do it anything. Third, it is possible to share your knowledge to some others. When you read this The Prince's Little Mate, it is possible to tells your family, friends as well as soon about yours guide. Your knowledge can inspire the mediocre, make them reading a e-book.

Bruce Zimmerman:

The actual book The Prince's Little Mate has a lot info on it. So when you read this book you can get a lot of gain. The book was compiled by the very famous author. This articles author makes some research previous to write this book. This kind of book very easy to read you can find the point easily after reading this article book.

Carey Gilliam:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book was rare? Why so many problem for the book? But any people feel that they enjoy for reading. Some people likes studying, not only science book but also novel and The Prince's Little Mate as well as others sources were given know-how for you. After you know how the truly amazing a book, you feel need to read more and more. Science reserve was created for teacher or even students especially. Those ebooks are helping them to bring their knowledge. In other case, beside science e-book, any other book likes The Prince's Little Mate to make your spare time a lot more colorful. Many types of book like here.

Nancy Gump:

As a student exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to

reach Chinese's country. Therefore , this The Prince's Little Mate can make you experience more interested to read.
